

THE LÄND JOB RÄLLY

Baden
Württemberg
International

Are you an IT student wondering what to do after graduation? Then come to it-sa in Nuremberg from 22.10.-24.10.2024! it-sa Expo & Congress is Europe's largest trade fair for IT security solutions with nearly 800 exhibiting companies.

But that's not all. We have come up with something special! For the first time, we are offering our THE LÄND JOB RÄLLY, to connect you with potential prospective employers. Our participating companies from Baden-Württemberg, the German Southwest, are looking forward to discussing career opportunities with you during the fair.

On all days of the fair, you can pick up a rally punch card at our joint THE LÄND stand. With this card you can visit all 11 participating companies and talk to them about their job offers. This gives you the opportunity to talk to the company immediately and avoid long application processes. Once you have talked to at least six participating companies and collected the stamps from them, you can take part in our raffle and with a bit of luck win some cool prizes such as tickets to Europa-Park or THE LÄND merchandise.

And the best part? You will even get free admission to the fair. Just contact Daniela or Carina by e-mail and we will send you a free ticket.

Are you wondering which companies are participating in the Job Rällly? Here you can find the companies as well as the location of their stand during the fair.
