

Inspection of examinations at the faculty WEBIS

The inspection of examinations taken in winter semester 24/25 is possible as follows:

1. the inspection takes place in the period from **15.3.2025** to **15.4.2025** at the respective first correctors.
2. students who wish to inspect their examinations must register this request by email with the first corrector in the period from **13.2.2025 to 28.2.2025**. Please state your surname, first name and examination subject.
3. The examination inspection will take place at the OTH in Weiden.
4. the students will be informed of the date (day / time) for the inspection by the first corrector. The appointment must be kept so that not too many students come to the examination inspection at the same time.
5. **alternatively**, some first correctors offer an **online examination** inspection. If this option is available, you will be informed of this in the respective Moodle course. You will also be informed about further details on exam viewing.
