Semester plan - Bridge modules International Energy Engineering (IEE) Winter semester 2024/25

Status: 08.05.2024

Decided in the faculty council: 08.05.2024

Nr.	Modul	Sub module	Lecturer	SWS	PF	NG	Note
0.1	Electric Power Engineering		R. Lechner	4	Kl 90		
0.2	Thermal Energy Technology		A. Weiß	4	Kl 90		
0.3	Deepening of Scientific Knowledge		R. Lechner	4	Kl 90		
0.4	Process Engineering in Energy Technology		W. Prell C. Lindenberger	4	ModA	0,80 0,20	Lecture-accompanying exercises Project work and presentation
0.5	Laboratory Course		A. Weiß W. Prell F. Späte R. Lechner	4	ModA		Practical report and/or oral test
0.6	Intercultural Competence		T. Jüntgen	4	Presenta- tion		

1) LBA = Lehrbeauftragter = associate lecturer

Nr.	Type of modification	Date
0	Ausgangsdokument	08.05.2024

Abbreviations:

NG: Notengewicht – Grade weighting

PF: Prüfungsform (Art und ggf. Dauer in Minuten) – Form of examination (type and, if applicable, duration in minutes)

SWS: Semesterwochenstunden (45 Minuten Einheiten pro Woche) – Semester hours per week (45 minute units per week)

The abbreviations of the examination forms correspond to the corresponding study and examination regulations (SPO)
